

Bob Leonard Walkway Legacy Bricks

One Brick at a Time... Remembering Those Who Matter

Become a lasting part of the Bob Leonard Walkway. The River Corridor Foundation of St. Charles is proud to offer supporters the opportunity to customize brick pavers.

Commemorative pavers are a thoughtful way to say thank you, recognize a birth, graduation, wedding, or anniversary, or to honor the memory of a loved one. Professionally, this is an ideal way to recognize key achievements and celebrate civic pride. Engraved 4x8 brick pavers will be laid in the walkway with your personalized message.

There is a 16 character limit to each line of engraving, including spaces.

ABOUT US: The River Corridor Foundation of St. Charles works collaboratively with the City of St. Charles, St. Charles Business Alliance, and the St. Charles Park District. The River Corridor Master Plan initiated in 2002, is the result of extensive public discussion and input from residents, civic groups, business leaders and government participants, who articulated an exciting strategy for the redevelopment of the Fox River Corridor in downtown St. Charles. With the Fox River as its focus, the River Corridor's Mission is to support and advocate for the projects that will enhance the downtown riverfront environment as a destination for cultural, educational, recreational, and economic purposes that are accessible to all. To learn more about our current projects and how you can become involved, visit our website <https://www.stcrivercorridor.org/>
